

WHITE DESERT

25/12/2023 - 31/12/2023

Explore by foot a small and little visited desert, which offers very beautiful and varied landscapes. A great tour for desert lovers! The smooth organisation makes this trip suitable to the sportier as well as to the more contemplative ones.

Level 2 & 3	Tours which can include full-day hikes (up to 800m elevation gain) and not too difficult aquatic hikes. We have cars with us during the whole tour ; if some persons do not want to do some hikes or some canyons, they can always go by car to the arrival point and enjoy free time in beautiful places, or even often be offered an alternative easier program.
Note about desert	We usually go for a hike of 3 to 4 hours in the morning. We walk mainly on sand, but sometimes also on rocks. Heat and soft sand can make it a bit difficult. Late afternoon, we go for another walk which lasts between 1/2 and 2 hours. It is always possible for someone not to do the walk and stay at the camp or go for a shorter walk. When we move camp (days 4 and 6), a few participants can also do the stage by car.
