Itinerary White Desert

Nota sobre la transportacion del equipaje We have vehicules ; so luggages are always transported by car. You only have to carry day-pack while hiking.

About Desert We usually go for a hike of 3 to 5 hours in the morning. Heat and soft sand can make it a bit difficult. Late afternoon, we go for another walk around the camp from 1 to 2 hours. It is always possible for someone not to do the walk and stay at the camp or go for a shorter walk. On the other hand, the ones who want to walk more can go erlier in the afternoon and do a longer tour alone. In the desert, we'll have 3 different camp sites for respectively 3, 2, 1 nights. On the camp, we set up a big tent (pictures below) to have shade at noon and to protect us in case of sandwind.
