transportation**

We have vehicles ; so luggages are always transported by car. You only have to carry day-pack while hiking.

DAY 1

15/03/2026

- Lunch - Dinner

 Transfer to Wadi Al Arbeyeen (1 hour 30 - 120 Km)

✓ **Aquatic hiking in Wadi Al Hail (7 hours)**

We start in the last village of the valley. Already at the end of the track is a wonderful pool and a small waterfall. From the cliff a 5 meters jump is possible. We then start the walk. Quickly we find flowing water and walk across large boulders. The canyon then narrows and we have to swim across several pools (it is possible to jump there also). The valley widens a little and narrows again. We swim again and arrive to the end of the canyon : a high waterfall, large pool, and huge boulders...We come back the same way.

➤ *Wadi Tiwi*

A beautiful hiking day : we walk all the wadi long, mostly on paths and falajs in the gardens, sometimes across boulders in the wadi bed, and few short parts on the track. On the way, we cross several villages. After arriving in the last village, we can go for a swim in the canyon just down the village in the middle of the canyon.

- **Walking time : 4 to 5 hours**

Overnight in a private house

We spend the night in the majilis (guest room) of a private house in the village. We all sleep in the same room and we have own toilet and shower. Dinner and breakfast are prepared by people from the village. It's a chance to spend a night in a traditional village, but it's less comfortable and asks an effort on our behaviour (decence and humility) with the local people.

We enjoy some excellent views towards the sea. Finally, we reach a main valley and we walk down to a surprising green oasis set on the flank of the mountain. From there, the views over this grand canyon are superb.

- Height difference : +1000m/-500m | Distance covered ~11km

**Overnight in the village**

According to the organisation of our hosts, we might camp in the majilis belonging to the mosque of the village. As the village is now very little populated, the inhabitants agreed to rent it to us. It's a beautiful place in the middle of the gardens and we have bathroom. If our hosts are in the village when we come, they will host us in their private house. It's a modern house, but with very rustic comfort, which has a wonderful view over the valley. Decent clothing and behaviour are required...
