Itinerary

Jebel Akhdar - Wadi Mistal - Nizwa - Wahiba Desert - Wadi Bani Khalid

Note about luggage transportation We have vehicules; so luggages are transported by car. Most of the time you only have to carry day-pack while hiking.

EXCEPTION: This trip has several consecutive hiking days (days 2, 3) during which we do not have access to the cars (and thus to the main luggages) in the evening. During those days, you'll have to carry your own personal belongings which you need at

night,water, and part of the lunch.
We can store your main luggages during that time. There is no safety issue.

Overnight 2 we are in comfortable accomodations: bedsheets, blankets, and bath towels are provided.

About Desert

We usualy go for a hike of 3 to 5 hours in the morning. Heat and soft sand can make it a bit difficult. Late afternoon, we go for another walk around the camp from 1 to 2 hours.

It is always possible for someone not to do the walk and stay at the camp or go for a shorter walk.

On the other hand, the ones who want to walk more can go erlier in the afternoon and do a longer tour alone.

In the desert, we'll have one single camp site for 2 nights.

On the camp, we set up a big tent (pictures below) to have shade at noon and to protect us in case of sandwind.
