<b>About Desert</b>	<p>We usually go for a hike of 3 to 5 hours in the morning. Heat and soft sand can make it a bit difficult. Late afternoon, we go for another walk around the camp from 1 to 2 hours. It is always possible for someone not to do the walk and stay at the camp or go for a shorter walk.</p> <p>On the other hand, the ones who want to walk more can go earlier in the afternoon and do a longer tour alone.</p> <p>In the desert, we'll have 2 different camp sites for respectively 3, 2 nights.</p> <p>On the camp, we set up a big tent (pictures below) to have shade at noon and to protect us in case of sandwind.</p> <p><a href="#">Click here to get more information about the running of a desert trip</a></p>
