ADVICE FOR TREKKERS

Oman is a mountainous arid country. All the paths are rocky and some are steep. Unless you are a experimented mountainer, or you are specialty at ease in rocky terrains, it would be a good idea in Oman that you choose a level of difficulty a little under what you usually manage to do. You will still be able to see wonderful places and to perform very nice trekkings, but this will just prevent you from suffering and thus not enjoying your trip.

ADVICE ABOUT THE GOOD WAY OF CLOTHING

Oman is a muslim country in which islam is strict but very open-minded and tolerant. You'll never see an Omani pointing out the way of clothing or behaving of a tourist. But all of them will appreciate to see that you try to adapt. **FOR WOMEN** : bring trousers or short trousers and t-shirts covering shoulders, as well as a t-shirt (and maybe a short) for swimming. Obviously, when we are alone in remote areas you can dress as you like. **FOR MEN** : bring trousers or long shorts. **FOR ALL** : bring a pareo or big towel to change your clothes, since nudity is not admitted... tatoos should also be covered.
